

# UNITED STATES NAVAL ACADEMY

# CLASS OF 1972

## 50<sup>th</sup> Reunion Class Legacy Gift

### Gift Goal:

**\$5 million - Largest USNA Class Gift goal ever!** We have a very generous classmate who is challenging the rest of us to raise \$2.5 million for our 50<sup>th</sup> Reunion Gift. He will match our donations dollar for dollar up to \$2.5 million.  $\$2.5 + \$2.5 = \$5$  million! Remember, he will only match what we give!

### OUR GIFT WILL SUPPORT:

- Moral
  - Mental
  - Physical
- dimensions of midshipmen development*

# Our Class Gift Initiatives:

**\$2.5 Million** raised will support the 1972 Athletic Facility and Excellence Fund. Do you remember "Misery Hall?" The place we used to go to get taped up, rubbed down, and otherwise repaired so we could continue to compete in our chosen sports. Our gift will support construction of the Terwilliger Physical Mission Center which, if we meet our \$2.5 million goal, will house the 1972 Sports Performance and Rehabilitation Center – the new '72 Misery Hall that will serve all mids, not just varsity athletes.

**\$1 Million** raised will support the 1972 Distinguished Military Professor in Character Development. This will extend and conclude the Class of 1972's 15 years of support for this critical position!

**\$750,000** raised will support the 1972 Project Based Learning Fund. Our gift will support hardware and logistic costs for capstone projects required of all engineering majors. Interdisciplinary teams of mids conceive, design, build, test, and sometimes redesign, rebuild and retest autonomous land, air and sea vehicles, low-earth-orbit satellites, cockpits of the future, remote sensing systems, and other things we never dreamed possible as mids!

**\$750,000** raised will support the Naval Academy Fund, which provides funding to be used at the Supe's discretion to support the USNA mission. The Naval Academy Fund fully funds the operation of the USNA Foundation and helps provide the Alumni Association benefits and services we all enjoy.
